Coverage Around the World with Atlas Group Travel

See the World, Don't Carry It On Your Shoulders

With medical coverage from 5 days to 12 months, *Atlas Group Travel* from HCC Medical Insurance Services (HCCMIS) is with you almost anywhere on the planet you may travel with a group of 5 or more for mission trips, large family vacations, student groups abroad, corporate groups, and overseas excursions for other large organizations.

Johannesburg, South Africa

Kent, England

Why choose Atlas Group Travel?

Whatever the reason, traveling internationally with a large group should be a pleasant experience. Emergencies and complications such as natural disasters, injury, or illness are a fact of life, and can be even tougher to manage if it is for a large group of people. While we hope none of these happen, we're here to help if they do. For your peace of mind, coverage for medical expenses in case of hospitalization, while in an intensive care unit, outpatient treatment, emergency medical evacuation, and loss of checked baggage, *Atlas Group Travel* has benefits you can count on.

My family has medical insurance in our home country; do we need group travel medical insurance?

Many times the primary medical insurance in your home country will not cover you and your family while traveling abroad. *Atlas Group Travel* includes essentials such as translation assistance while being treated, doctor and hospital referrals, and assistance replacing lost prescriptions.

Additionally, medical costs can be very expensive while abroad. Past clients have encountered over **\$68,000** in medical expenses from an emergency medical evacuation alone. With *Atlas Group Travel* plans starting at less than **\$1 a day** (per person), can you afford not to have coverage?

After purchasing coverage, how can I trust the company to be there if I need them?

Security Matters! - *Atlas Group Travel* is underwritten by Syndicate 4141 at Lloyd's, London. Lloyd's provides accident and health insurance to more than 1,000,000 people in over 100 countries. Lloyd's currently enjoys an A+ (Strong) rating from Standard & Poor's and is highly qualified to protect you on your next international trip.

Your Time Matters! - Manage your account, renew coverage, file claims, locate healthcare providers, and more – all online – with Client Zone. Or call HCCMIS's World Service Center from many countries around the world collect or toll-free.

So get out and see the world with *Atlas Group Travel* from HCCMIS by your side. It's health coverage around the world.

What's covered by Atlas Group Travel?

International Coverage

Emergency Medical Evacuation and Emergency Reunion

- Would you know what to do if you found yourself in a life-threatening situation far from home? HCCMIS is experienced in arranging emergency medical evacuations. Atlas Group Travel will cover the necessary expenses to transport the member to the nearest medical facility qualified to treat the life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas Group Travel will also cover the transportation, lodging and meal costs for a relative to join the member after an emergency medical evacuation.

Repatriation of Remains - What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of a member's death while traveling abroad, Atlas Group Travel will arrange for and cover the costs associated with the repatriation of his or her remains.

Hospital Indemnity - If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If a member is hospitalized as an inpatient for treatment of a covered illness or injury, Atlas Group Travel will provide \$100 for each night spent in the hospital.

Trip Interruption - One of a traveler's biggest worries is the safety of his or her home while away. If you learn that a catastrophic event like a tornado, hurricane or flood has caused severe damage to your home while traveling abroad, Atlas Group Travel will cover the cost of a one-way, economy class ticket to the airport nearest your home.

Home Country Coverage

Incidental Home Country Coverage - Atlas Group Travel will provide you 15 days of incidental coverage for trips to your Home Country for every 3 months of coverage purchased. Incidental visit time must be used within the three-month period earned, and you must continue your international trip in order to be eligible for this benefit, which covers medical expenses only. Return to your Home Country must not be taken for the purpose of obtaining treatment of an illness or injury that began while traveling.

Benefit Period Medical Coverage - A Benefit Period begins on the first day you receive medical attention for a covered illness or injury, either in the form of diagnosis or treatment, while you are outside of your home country, and it lasts 180 days. If your coverage terminates during a Benefit Period, Atlas Group Travel will continue to cover you for the duration of the Benefit Period for eligible medical expenses only that directly relate to the covered condition for which the Benefit Period began, whether you are abroad or in your home country.

End of Trip Home Country Medical Coverage - If you are covered under Atlas Group Travel and outside of your Home Country continuously (except for covered Incidental Trips as described above) for six (6) months or more you may purchase an additional 30 days of End of Trip Home Country Medical Coverage

Home Country Defined - If you are a US citizen, your Home Country is the United States, regardless of the location of your principal residence. If you are not a US citizen, your Home Country is the country where you principally reside and receive regular mail.

Other quality benefits offered by Atlas Group Travel:

Return of Minor Children - If a member of your group is expected to be hospitalized for more than 36 hours due to a covered injury or illness and covered children under 18 years of age will be left unattended as a result, Atlas Group Travel will cover the transportation cost for the children to return home.

Complications of Pregnancy - Atlas Group Travel offers coverage for Complications of Pregnancy during the first 26 weeks of gestation.

Terrorism: In these turbulent times the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, Atlas Group Travel offers coverage against medical expenses resulting from these acts.

Political Evacuation - If, during the coverage period and after your arrival, the United States government issues a travel warning for your destination country, Atlas Group Travel will coordinate your alternate departure arrangements from that country and cover the associated costs.

Hospitalization & Outpatient Treatment - If a covered illness or injury requires hospitalization, the plan provides coverage for costs associated with hospitalization care, including intensive care, and outpatient treatment.

Natural Disaster Benefit - Natural disasters can happen anywhere and at anytime. If a natural disaster occurs while on your trip causing a member to become displaced from his or her accommodations, Atlas Group Travel will provide relief of a Maximum of \$100 a day for 5 days to help cover the costs of alternative accommodations.

Acute Onset of Pre-Existing Conditions

If you are under age 70, you are covered for an Acute Onset of a Pre-existing Condition. Coverage is available up to \$15,000 lifetime maximum for eligible medical expenses and up to \$25,000 lifetime maximum for emergency medical evacuation. An Acute Onset of a Pre-existing Condition is a sudden and unexpected outbreak or recurrence of a Pre-existing Condition which occurs spontaneously and without advance warning either in the form of Physician recommendations or symptoms. Treatment must be obtained within 24 hours of the sudden and unexpected outbreak or recurrence.

Optional Sports Coverage

Available for extreme sports trips or the adventurous traveler. For an additional 20% premium, this Rider adds coverage for the Amateur sports listed in the exclusion section of this brochure.

If you plan to participate in sporting activities such as mountain climbing or whitewater rafting, you may consider our Sports Rider. This optional Rider will provide medical coverage for injuries resulting from participation in one of these activities otherwise excluded from coverage.

The maximum policy limit for injuries under this Rider is the Overall Maximum Limit you select. The Accidental Death and Dismemberment benefit is deleted during participation in sports activities. Purchase of the Rider does not include coverage for sports participated in for wage, reward or profit.

Exclusions, Enrollment & Filing a Claim
